FINISHES

Every Cavalier instrument is guaranteed to be of high quality workmanship and materials and to be as musically and mechanically perfect as it is possible to make a musical instrument of its kind at this time. This printed guarantee is attached to every Cavalier instrument that leaves the factory.

CAVALIER GUARANTEE

It is NOT a genuine Cavalier instrument unless it has the CAVALIER name engraved on it. So, whenever YOU are confronted with the double consideration of both quality and price in purchasing instruments—in school and orchestra work and for the individual musician—Cavaliers will solve your problem economically and 100% satisfactorily.

CAVALIERS are more than "America's Lowest Priced Quality Line"—they are America's sensational instrument values from every standard by which musical instrument values are judged. Cavaliers are made by the manufacturers of "The World's Finest Moderately Priced Band and Orchestra Instruments," in one of the foremost instrument factories in Elkhart which is "The Band Instrument City of the World." They not only have the advantages of being made on up-to-the-minute instrument manufacturing equipment and machinery, but they have the benefits of many years of skilled instrument designing, manufacturing, assembling and testing by men whose entire lives have been devoted to the making of quality instruments. Thus, Cavaliers have a heritage which is reflected in their musical and mechanical qualities and in their fine appearance. Only fine quality materials are used in their construction. Only fine quality instruments carry the Cavalier name and the distinctive Cavalier trademark which has come to be recognized by musicians, instrumental music teachers and band and orchestra directors throughout the world as the hallmark of quality on low priced musical instruments.

CAVALIER

★ LOW IN PRICE—HIGH IN QUALITY—GUARANTEED

Here is a clarinet that is up-to-the-minute to the last, smallest detail and which excels many higher priced instruments in appearance, in tone, intonation, easy blowing qualities, easy action and design. Every note in all registers is true, clear and perfect in pitch both in ppp and fff playing. The design and construction of the key mechanism makes the action extremely fast, sturdy and dependable. Built in B \flat Boehm system with 17 keys cast of specially alloyed metal and hinges. Silver-plated over all and surmounting. Reed, ligature, mouthpiece cap and music lyre in a smartly styled formed case lined with luxurious red crushed plush and covered with the NEW, RICHER brown covering. If price is a truly vital factor in the selection of your clarinet and you want the most of the best for your money, we urge you, by all means, to see and try this clarinet at your nearest Pan-American dealer's store before you part with your money for any clarinet. Compare it point for point with ANY other clarinet of comparable price and we know that you will agree with thousands of other Cavalier clarinet users that this is the outstandingly fine complete clarinet outfit in the truly low priced field.

AMERICA'S OUTSTANDING LOW PRICED INSTRUMENTS

CAVALIER Saxophones

E \flat ALTO SAXOPHONE—92-M-2

It is no idle claim that the Cavalier E \flat Alto Saxophone out-values all other Altos in its price class. Improved tuning in the upper register, a more convenient arrangement of the G \sharp to low B \flat keys, its full, rich, resonant tone, its perfect intonation, the sturdy key mechanism and body, the light, fast key action, all combine to make this instrument one which looms far above the best in the low priced field. Satin silver plated with bright silver plated keys, gold bell and a distinctive engraving design. Supplied with an Ebonite mouthpiece, reed, ligature, mouthpiece cap, lyre and strap in a sturdy square case covered with the new Seal Brown cover and lined with red crushed plush.
