all edges of the blade without removing the blade. It permits men to enjoy 500 clean satisfactory shaves from a single razor blade. This appeal of economy and practicability gets quick customers and many friends for you. It sharpens with a true diagonal stroke giving the blade the same keen edge the barber gives razor blades. It retails for only \$2.00 and pays you 100% commission on each and every one you sell. The double edge has been a steady seller from the minute it was put on the market. V. Fisher of Arlington, N. J., sold 12 in 15 minutes—L. Storr, of St. Louis, sold 36 the first day and H. Gardner, of Chicago, sold one gross the first week. This gives you an idea of the big profits you can make.
