

**Disclaimer:** All data presented through the GBRDirect service is retrieved by means of direct access gateways to the various State systems. The content of such data as well as the currency and accuracy of such data is reflective of the data as it was retrieved from the particular State systems. Global Business Register Limited. ("GBR") makes no changes whatsoever to the content of the data except to reformat the data into a more easily readable presentation. While GBR has constructed this search to be as reliable as is practical, access to any particular State government database may be subject to unannounced and/or unexpected downtime that is beyond the control of GBR. Further, while GBR makes every effort to access, present, or transmit the data in an accurate and timely manner as it currently resides on the various State databases, it makes no representations of any kind whatsoever as to either the accuracy or currency of the data displayed or transmitted. GBR disclaims any and all liability of any nature whatsoever arising from the use of, or reliance upon, the search results by a subscriber. The various State Agencies responsible for hosting the databases are the definitive authority on the content of all records displayed through their systems and any questions concerning such content should be answered by securing certified copies of such records from their original source.
